## About the Expo

Astrovison Global FZCO Dubai is delighted to inform you that the Construct Uganda Expo is scheduled to held from **21-23 May, 2026** at Multi-Purpose Hall, UMA Show Grounds, Kampala, Uganda. Construct Uganda Expo is Uganda's most focused construction, machinery, ceramics and interior products related exhibition. The Exhibition will witness the participation of all leading stakeholders and key service providers within the construction, building, housing & interior as well as ceramics sectors. The exhibition will be the gateway to the East African Business Community in Uganda. It is the premier exhibition series in this sector in the East African region.

The international expo provides an immense opportunity to capture the untapped market of the East African Region through Uganda. The show is organised by Astrovison Global FZCO Dubai. It is one of the shows in the umbrella of upcoming shows being organised in the African region.

The Expo aims to promote the Building & construction and civil infrastructure sector by the way of bringing the stakeholders including manufactures, exporters distributors, importers, traders, contractors, developers & architects, engineers, new entrants closer and help them negotiate new business opportunities and partnerships. The event will certainly help in boosting the activities and trade in the sector and amplifying the infrastructure growth in Uganda and East African Region.
